

SUNKARA PURNA SAIVIVEK

Web Development Intern

📞 9182287945 @ poornavivek45@gmail.com
📍 House no:12-82/a, Arilova, Balaji nagar, Visakhapatnam, Andhra Pradesh

SUMMARY

I am a web development intern with a strong foundation in responsive design and user-centric development. Leveraging skills in HTML, CSS, JavaScript, and PostgreSQL, I excel in collaborating within development teams to enhance user experience. My internships have equipped me with practical knowledge and certification in full stack development and backend integration, preparing me for future challenges in tech
